RE: Quinones v. Five Stars of Brooklyn Incorporated et al
1:19-cv-00512-ENV-RML

To the Hon. Robert M. Levy:

I am counsel for plaintiff Francisco Quinones (“Plaintiff”) in the above-referenced action (the “Action”). I write in response to the Court’s Order, dated July 18, 2019. In the July 18 Order, Your Honor raised three issues standing in the way of Your Honor approving the parties’ settlement pursuant to *Cheeks v. Freeport Pancake House*, 796 F.3d 199 (2d Cir. 2015). Your Honor also invited the parties to authorize the Court to edit the settlement to address the three issues. I submit this letter to inform the Court that the parties wish to authorize the Court to make these edits.

I have spoken to Morris Fateha, Esq., who has represented to me that he is counsel for all of the defendants in this action, and Mr. Fateha has informed me in writing that the defendants consent to edit the agreement to conform to the concerns expressed in the July 18 Order. On behalf of the Plaintiff, I also consent to the Court doing so.

I want to express my appreciation to Your Honor for shepherding the parties through the settlement process. I look forward to providing the Court any further information necessary to achieve settlement approval. As always, I thank the Court for its time and consideration.

Respectfully Submitted,

Mohammed Gangat

cc: Morris Fateha, Esq.
